& Grace*™

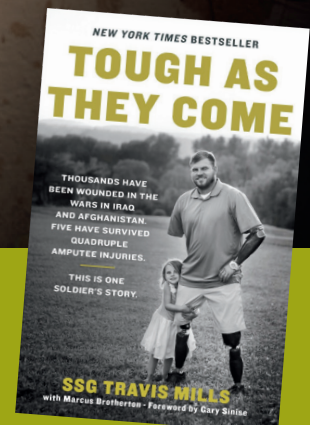

15th Anniversary

Courage Changes Lives.

Every day, the residents of The Virginia Home demonstrate extraordinary courage. Travis Mills reminds us that resilience, determination, and compassion can transform lives. An author, philanthropist, father, retired U.S. Army Staff Sergeant, and quadruple amputee, Travis inspires audiences worldwide with his message: "Never give up. Never quit." After surviving a devastating injury in Afghanistan, he transformed unimaginable adversity into a life of resilience, humor, hope, and service—proving that even life's greatest challenges can inspire others.
